HOW IT WORKS

Booking a groom shouldn't take *six WhatsApps*.

01

Find your groomer

Browse salons near you with real prices, reviews and before-and-after photos.

02

Pick a slot

Only times that are actually free. The salon confirms within 10 minutes — pay at the salon or online.

03

Get the green tick

A ping when it's confirmed, a reminder before, a fresh dog after. Reschedule in the app if plans change.

"For coats that shine brighter than your ex's future."

— the Fetch It house rule

Pay your way. *Earn as you go.*

OPTION 1

Pay at the salon

Cash or UPI after the groom, exactly like today. Just book in the app — no booking fee, ever.

OPTION 2

Pay online

Held safely until after your groom. Full refund if the salon declines, doesn't reply in time, cancels — or you cancel before their cutoff.

FETCH IT POINTS

₹10 = 1 pt

Earn 1 point for every ₹10 you spend on grooms and Fetch It products — plus 100 points on sign-up and 100 for every friend who books. 1 point = ₹1 off Fetch It shampoos & mists in the store (not on grooms).
